- Location and Arrival

The Harucon takes place at the exhibition center in Klagenfurt am Wörthersee. However, the entrance is near main gate, it is in Messehalle 5.

The main train station, as well as the bus station can be reached in 7 minutes on foot. Of course, there's also a bus connection of the Stadtwerke to Harucon. The bus with the number 60 takes you from the main station, as well as the Heiligengeistplatz directly to the station Messe West, from there it is a 2 minutes' walk to the Harucon.

Of course, there are enough parking spaces at the fairgrounds this year as well. Cheap parking tickets are available at the cash register. There are also some free parking possibilities in the side streets around the fairgrounds.

We'd like to recommend our partner Hotel Atrigon in Klagenfurt. This is a 5-minute walk from the Con. There will certainly be a special rate for Harucon visitors here.
